Login

Launch AccreditedNet® 3.0 using this URL from your browser: <https://accreditnet.urac.org/#/auth/login>

The screenshot shows the URAC login interface. At the top center is the URAC logo, which consists of a yellow star followed by the text "urac®". Below the logo, the text "Log in to your ARMATURE account" is displayed in a bold, dark font. Underneath this, a smaller line of text reads "Please Log In by providing your Email Address and Password." There are two input fields: the first is labeled "Email Address" and the second is labeled "Password". Below the input fields, there are two buttons: a blue button labeled "Log In" and a white button with a blue border labeled "Can't Log In or forgot your password?".

If this is your first time accessing AccreditedNet® 3.0, you will need to use the “**Can’t Login or forgot your password**” link. This will allow for the system to send a reset password email to your user account.

Important! If you enter your email address incorrectly or enter a non-existing email, the reset password email will not be sent.

Enter your email address on the “Having trouble logging in?” screen.

The Password Reset Confirmation email will be sent from “no-reply@urac.org”.

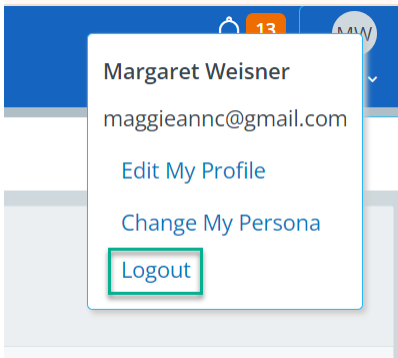

Important! You should request the “no-reply@urac.org email address to be white-listed in your organization’s email system.

Logging Out

The “Me” icon located in the blue banner, in the top right of your Home Screen/Dashboard provides access to log out of the system.

Select the “Me” icon, the “Logout” selection is listed:

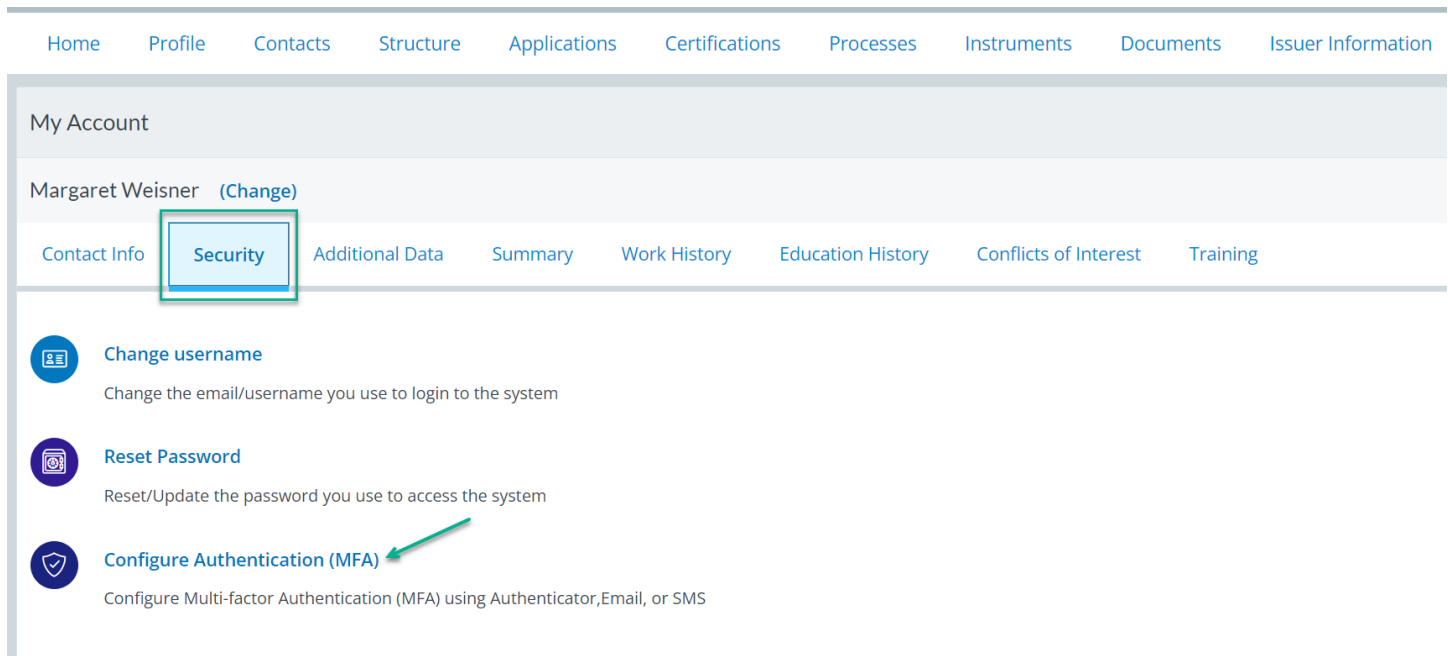

Multi-Factor Authentication

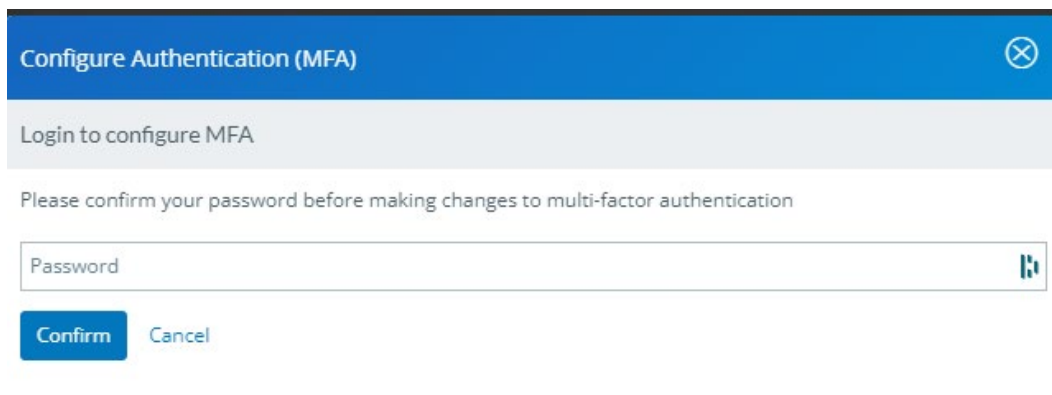

The “Me” icon, located in the blue banner, top right corner of your screen provides access to configure multi-factor authentication. After selecting the “Me” icon, select “Edit My Profile”.

Select the “Security” tab, then “Configure authentication (MFA)”:

You will be prompted to re-enter your system password:

Three authentication methods are available, Authenticator, SMS and/or Email.

Configure Authentication (MFA) ✕		
Authentication Method	On	Off
Authenticator (Recommended) Use a smart phone authenticator application to generate a one time password Requires smart phone (iOS, Android, Windows 10 Mobile) Requires authenticator application Show Apps		
SMS Provide a phone number to receive a one time password via SMS Requires phone Requires SMS		
Email Provide an email address to receive a one time password via email Requires email address		
Cancel		

Important! While Authenticator is the recommended method, please configure an additional method as well. This will ensure that the loss of the Authenticator application does not result in an inability to access the system.

Authenticator (Recommended)

You have the choice of 3 authenticator applications: Google, LastPass and/or Microsoft. Using your cell phone authenticator application, add an account and scan the code that displays on the AccreditedNet 3.0 screen. Then enter the Authentication code provided.

You will be prompted to add an authentication code received via the provided email address each time when logging into AccrediNet 3.0.

Important!! Once configured you will be prompted to use authentication every time that you log into the system. Always configure at least 2 methods of authentication so that you have a back up method to access the system. The URAC Service Desk can assist you in this installation.

Dashboard

When you log into AccrediNet 3.0 you will be presented with your Organization’s Home Screen or Dashboard.

The screenshot displays the AccrediNet 3.0 dashboard for the 'URAC Training Org (2021-ORG-00755)'. The navigation menu includes Home, Profile, Contacts, Structure, Applications, Certifications, Processes, Instruments, Documents, and Issuer Information. The main content area is divided into several sections:

- Organization Profile:** Shows the organization name, location (Washington, DC), website (www.uractrainingorg.org), and primary contact (Margaret Welsner, maggieann@gmail.com, 2023263962).
- Notice of Change:** A dropdown menu for selecting a notice of change to submit, with a 'Submit' button. Below are three entries: 'NOC: Change in "Doing Business As" or Trade Name' (Processing, Created 02/14/2024), 'NOC: Change in Corporate Status' (Processing, Created 10/18/2023), and 'NOC: Change in Corporate Name' (Processing, Created 04/12/2023).
- Active Applications:** A table listing active applications with their status and counts.

Note: If you have access to multiple organizations, AccrediNet® 3.0 will list the organizations for access selection.

Your Organizations
Please select an organization from the list below.

Name	Id	Type	Location
ABC Company	2017-ORG-00012	Organization	Washington, District of Columbia
URAC Training Org	2021-ORG-00755	Organization	Washington, District of Columbia
URAC's Prod Test Org	2022-ORG-00161	Organization	Washington DC, District of Columbia

Select the organization you wish to view to be taken to that organization’s Dashboard/Home Screen.

Your Dashboard/Home Screen provides a summary view, which is your ability to see what's in progress at a glance with your application. In addition, navigation tabs located across the top of the screen provide more in-depth information. Each section of the Dashboard/Home Screen in the screenshot below is identified by a letter. You'll find more information about each of these sections in the screenshots that follow.

The screenshot shows the URAC dashboard home screen. At the top, there is a navigation bar with the URAC logo and several tabs: Home, Profile, Contacts, Structure, Applications, Certifications, Processes, Instruments, Documents, and Issuer Information. On the right side of the navigation bar, there are icons for Notifications and a user profile.

The main content area is divided into several sections:

- Organization Profile (A):** Displays information for the user's assigned organization, "URAC Training Org (2021-ORG-00755)". It includes the location (Washington, DC), primary contact (Margaret Welsner), and contact details (email: maggieannc@gmail.com, phone: 2023263962).
- Notice of Change (B):** A section for submitting notices of change. It features a dropdown menu to select the type of change and a "Submit" button. Two entries are listed: "NOC: Change in 'Doing Business As' or Trade Name" (Created 03/13/2024, Processing) and "NOC: Change in Corporate Name" (Created 04/12/2023, Processing).
- Active Applications (C):** A table showing the status of active applications. It includes columns for application name, app number, and status. Three applications are listed: "Rare Disease Pharmacy Center of Excellence Certification - 10/11/2023" (Submitted, 0), "Health Equity - 10/11/2023" (Open, 1), and "Health Plan - 11/09/2022" (Open, 1).
- Certifications (D):** A section for managing certifications. It includes a "Show Active Only" checkbox and a table of active certifications. One certification is listed: "THH-19 expires 07/12/2026" (Telehealth v3.0: Consumer-to-Provider, Active).
- In-Progress Reviews (E):** A section for reviews in progress. It includes a table of reviews and a "Requires Feedback" button. One review is listed: "APP: Rare Disease Pharmacy Center of Excellence Certification v3.0" (3 items require attention).
- Scheduled Items (F):** A table showing scheduled items. It includes columns for item name, begin date, and end date. Two items are listed: "APP: Rare Disease Pharmacy Center of Excellence Certification v3.0" (Begin: Sep 15th, End: Jan 2nd, 3 months ago) and "APP HE: Health Equity Accreditation v1.0" (Begin: Feb 1st, End: Jun 1st, in 2 months).

Important! All system generated emails will be sent from “**no-reply@urac.org**”. Please request this email address be white-listed in your organization’s email system.

Documents

Certificates for accreditation and/or certification achievement are accessible via the “**Documents**” tab and filed in a folder within the “**Library**” section of the **Documents** screen.

Resource Documents

The Program Guide and other resource documents have been uploaded to your organization's Documents folder for reference. In order to download these documents, navigate to the “**Documents**” tab on your Dashboard.

The screen will default to the “**Library**” tab within the “**Documents**” page. To download the Program Guide and Standards, select to the “**Shared**” tab:

Important!! Downloading and referencing the Program Guide is imperative to achieving a successful Accreditation or Certification.

Contacts

The **Primary Organization Contact (POC)** should review the individuals listed via the Organization Home Screen or Dashboard under the “**Contacts**” tab. The individuals listed have access to all Organization information and can assist with Application Instrument completion.

Name	User Account	Type	Primary	Trusted
Armature Admin	armature.dev+urac@gmail.com			
Margaret Frank	maggiecornett@verizon.net	Application User		
Olesya Lamb	olamb@urac.org	Application User		
Test Person	nhaggins@verizon.net	Application User		
test test2	shubham.patil@armaturecorp.com			
Margaret Weisner	maggieannc@gmail.com	Application POC, Organization POC		

The Organization POC is identified on the “**Contacts**” list with a green “**P**” under the “**Primary**” column. **“Trusted”** individuals are other Organization application users who can assist with Application Instrument completion and have access to **all** Organization information within the AccrediNet 3.0 system. Notify your Client Relations Manager (CRM) of any contacts that need to be added or deleted.

Important!! The Organization’s POC is responsible for notifying URAC of individuals that should be added or removed from the Organization’s Contact list.

Application

In AccreditNet 3.0 an **Application** encompasses all necessary activities to achieve accreditation/certification, including an **Instrument** used to submit documents and citations demonstrating compliance with URAC Standards and Elements of Performance.

The POC should review all information associated with the Accreditation or Certification being sought on the **Application Information** screen. Navigate to this screen by selectin the Application number listed in the Applications section of the Dashboard/Home Screen or using the “**Applications**” tab.

The **Application Information** screen defaults to the “**Activities**” tab and displays your Application number at the top of the page, along with your Organization name and the Accreditation of Certification program for which you are applying.

The screenshot displays the URAC AccreditNet 3.0 interface. At the top, the navigation menu includes Home, Profile, Contacts, Structure, Applications, Certifications, Processes, Instruments, Documents, and Issuer Information. The main content area shows the 'Application Info - APP-1285' for 'URAC Training Org (2021-ORG-00755)'. The application is for 'Health Equity' and has a status of 'Open' with a 'Submit' button. The 'Activities' tab is active, showing a large box for the current step: 'Application Open for Submission due 4 months ago'. Below this, there is a list of activities, including 'APP HE: Health Equity Accreditation v1.0' which is 'In Progress' and 'due in 2 months'. A 'MARK AS COMPLETE' button is visible at the bottom of the activity list.

The Activities tab displays the current step within the Accreditation Process in a large box on the screen. Initially, the current Process step for the Accreditation Process will be “Application Open for Submission”. You can navigate to the Application Instrument by selecting the program name link within the box.

The screenshot shows the URAC application interface. At the top, there is a navigation bar with the URAC logo and various menu items: Home, Profile, Contacts, Structure, Applications, Certifications, Processes, Instruments, Documents, and Issuer Information. Below the navigation bar, the application details are displayed, including the name 'URAC Training Org (2021-ORG-00755)', the coordinator, and the status 'Open' with a 'Submit' button. The 'Processes and Activities' section is expanded to show 'Accreditation'. A green box highlights the 'Accreditation' tab, and a green arrow points to the 'APP HE: Health Equity Accreditation v1.0' item, which is currently 'In Progress' and 'due in 2 months'. At the bottom of the process box, there is a 'MARK AS COMPLETE' link.

Do NOT select the “MARK AS COMPLETE” link at the bottom of the Process box. This process step is automatically completed for you when you “Submit” your Instrument.

This screenshot is similar to the one above, but with a red speech bubble pointing to the 'MARK AS COMPLETE' link at the bottom of the process box. The speech bubble contains the text: "STOP! Do Not Mark as Complete to submit your Application Instrument". The 'MARK AS COMPLETE' link is circled in red, indicating that it should not be used.

Selecting the “**Certifications**” tab on the **Application Information** screen identifies the version of accreditation or certification being, additional designations in scope (if applicable) and impacted sites.

The screenshot shows the 'Applications' section of the URAC portal. The 'Certifications' tab is selected. The application is for 'URAC Training Org (2021-ORG-00755)' with a status of 'Open' and a date of application of 10/11/2023. The 'AVAILABLE CERTIFICATIONS' section shows 'Health Equity 1.0 - INITIAL' as the selected certification. Below this, a table lists the applicable sites:

SITES	CERTIFICATIONS
URAC Training Site 1 1313 Mockingbird Lane Cleveland, OH 12345 UNITED STATES	Health Equity 1.0

Below the table, it states 'No sites included at this time'.

Important! Please review the list of applicable site names and locations for accuracy. Notify your Client Relations Manager (CRM) if this list is inaccurate.

Processes

AccreditNet 3.0 uses a process engine to control the accreditation and NOC workflows. As a client, your need to interact with processes is minimal.

There are different types of processes:

- 1) **Accreditation Process** - You will NEVER need to interact with the Process steps. For the Accreditation Process the process step “Application Open for Submission” will automatically be marked complete when you “**Submit**” your Application Instrument.

In all cases the process will work in a similar manner. You can access a process from:

- From the Dashboard/Home screen “**Processes**” tab

Process Info	Next Action	Due	Progress
Accreditation	Application Open for Submission In Progress	Nov 11th	17%
Accreditation		Nov 11th	25%
NOC: Change in "Doing Business As" or Trade Name	Form Completion In Progress	Apr 13th	0%
Accreditation	Application Open for Submission In Progress	Dec 9th	17%
NOC: Change in Corporate Name		Apr 13th	11%

After opening the “**Processes**” tab, you’ll see any process activity that’s visible to the organizational contact. When the Application POC “**Submits**” the application Instrument, the “**Application Submission**” process step will automatically be marked as Complete.

IMPORTANT! When you **Submit** the Application Instrument the “**Application Submission**” Process step will automatically update to Complete.

- 2) **Notice of Change (NOC) Process** – as discussed earlier, if you have not completed and submitted the associated information form, the NOC is listed as **“In Progress”**, but will display with a Progress of **“0%”** under the **“Processes”** tab.

Process Info	Next Action	Due	Progress
Accreditation	Application Open for Submission In Progress	Nov 11th	17%
Accreditation		Nov 11th	25%
NOC: Change in "Doing Business As" or Trade Name	Form Completion In Progress	Apr 13th	0%
Accreditation	Application Open for Submission In Progress	Dec 9th	17%
NOC: Change in Corporate Name		Apr 13th	11%

Accreditation Milestones

This is a high-level view of a process to help users understand how far their application is in the process. Demonstrated below are the 2 ways you may view **Process Milestones**:

1. From the **Application Info** screen, select the “**Milestones**” tab on the **Accreditation Process**. The current “**In-Progress**” Milestone will display with a **blue diamond**.

The screenshot shows the 'Application Info - APP-1285' screen for 'URAC Training Org (2021-ORG-00755)'. The 'Applications' tab is selected in the top navigation. Under 'PROCESSES AND ACTIVITIES', the 'Accreditation' section is expanded, and the 'Milestones' sub-tab is active. A list of milestones is shown, with 'Application Open for Submission' (IN-PROGRESS) highlighted by a blue diamond and a green circle. Other milestones include 'Schedule Application' (COMPLETE on 10/11/2023), 'Desktop Review' (NOT STARTED), 'Validation Review' (NOT STARTED), and 'Certificate Issuance' (NOT STARTED).

2. From the “**Process**” tab, select the active **Accreditation** process listed under the **Process Info** column.

The screenshot shows the 'Processes' tab in the application. A table lists various processes with columns for 'Process Info', 'Next Action', 'Due', and 'Progress'. The first row, 'Accreditation', is highlighted with a green arrow. The table data is as follows:

Process Info	Next Action	Due	Progress
Accreditation	Application Open for Submission In Progress	Nov 11th	17%
Accreditation		Nov 11th	25%
NOC: Change in "Doing Business As" or Trade Name	Form Completion In Progress	Apr 13th	0%
Accreditation	Application Open for Submission In Progress	Dec 9th	17%
NOC: Change in Corporate Name		Apr 13th	11%

Important! If you are completing more than one Accreditation or Certification Application, this can be confusing as the **Process Info** list does not specify the Application being completed.

On the **Accreditation Process** screen, use the drop-down menu in the right upper corner and select **“Milestones”**.

The screenshot shows the 'URAC Training Org (2021-ORG-00755)' accreditation page. The 'Process' dropdown menu is open, and 'Milestones' is selected. The page displays application details for 'APP-1285' with a status of 'Open'. Below this, a table shows the 'Application Open for Submission' milestone as 'IN PROGRESS' with a due date of 11/11/2023. To the right, there are tabs for 'Activity' and 'Comments', and a section for 'Application Open for Submission' with a due date of 11/11/2023 and a status of 'IN PROGRESS'.

The current **“In-Progress”** Milestone will display with a **blue** diamond.

The screenshot shows the 'Milestones View' for the same accreditation. The 'Milestones' dropdown menu is selected. A vertical timeline lists several milestones: 'Schedule Application' (COMPLETE on 10/11/2023), 'Application Open for Submission' (IN-PROGRESS, highlighted with a blue diamond), 'Desktop Review' (NOT STARTED), 'Validation Review' (NOT STARTED), and 'Certificate Issuance' (NOT STARTED).

Instruments

Instruments are used to capture question responses or criteria compliance documentation. This feature is used for the following activities:

- **Application Instrument** – for program, addendums, designations

Instruments can be accessed in various ways:

- **Dashboard > Scheduled Items**: Lists all incomplete **Instruments**.
- **Instruments** (top navigation tab): Lists of all instruments including the completed instruments for the organization.

The screenshot displays the 'Instrument Overview' page for 'APPLICATION APP-1285'. The page is titled 'APP HE: Health Equity Accreditation v1.0'. It features a navigation menu with tabs for 'Summary', 'Documents', 'Assignees', and 'Reports'. The main content area is divided into 'Overview' and 'Progress' sections. The 'Overview' section includes details for 'URAC Training Org (2021-ORG-00755)' in Washington, DC, with a 'Closes' date of 06/01/2024. The 'Progress' section shows a list of items with their completion percentages: Introduction (0%), General Questions [M] (36%), Table of Contents (0%), HE-OC 1 & 2 (41%), HE-OC 3 & 4 (6%), HE-PP 1: Program Overview and Quality Management (12%), HE-PP 2 & 3 (0%), HE-ESS 1: Communication and Language Services (0%), HE-ESS 2 & 3 (0%), and Thank You [M] (0%). A 'Submit' button is located in the bottom right corner.

Important! Take note of the “**Closes**” date for the Instrument. Your initial submission of the Instrument must be completed and submitted by this date. The Application POC is the only person able to see and select the “**Submit**” button for the initial **Application Instrument** submission.

Instrument Question Types

All accreditation/certification instruments begin with an Introduction, followed by a page of **General Questions**. In addition, some programs may include additional program specific questions. The program standards are listed on separate pages. A final Attestation, the “**Thank You [M]**” page concludes the application/certification instruments. The following types of questions can be found within the Instrument:

1. Text box: An open text field for data entry

General Questions [M]

1

Please list your company website address:

2. Radio buttons: Used typically for yes/no questions. To use, simply select the icon next to the appropriate response:

7

Does the organization delegate functions covered under the scope of the accreditation/certification?

Yes

No

3. Multi-select Buttons: Multiple options may be selected to provide the appropriate response to the question:

Disease Management Specific Questions [M]

1

Please identify the conditions included within the scope of the Disease Management Accreditation

Anxiety Disorder

Asthma

Atrial Fibrillation

Back Pain

Behavioral Health

Cardio Vascular Accident

Chronic Kidney Disease

Chronic Obstructive Pulmonary Disease

Chronic Pain

Congestive Heart Failure

4. Supporting Documentation: These questions allow you to upload evidence in the form of policies, procedures, minutes, etc. that demonstrate your organization’s compliance with the Standard or Element of Performance:

HE-ESS 1-1.a Supporting Documentation

Link max of 3 documents per submission. If N/A, provide supporting documentation.

Click on "Add Row" to link a document.	Citation Required (indicate "included in document" or identify page number and section)
+ ADD ROW	

Select “Add Row” to enable the attach document function:

HE-OC 1-1 Supporting Documentation

Link max of 3 documents per submission.

Click on "Add Row" to link a document.	Citation Required (indicate "included in document" or identify page number and section)
<p>Test Doc 3.pdf</p> <p>REMARKS</p> <p>Margaret Weisner - 10/11/2023 02:30:51 pm</p> <p>Download Change Hide Remarks</p>	Page 5, paragraph 3
<p>Upload Choose Existing</p>	
+ ADD ROW	

You can re-use an already-attached document or upload a document from file explorer. To attach additional documents, continue to use the “Add Row” function. In general, one or two documents can demonstrate compliance with an element. Only upload documents that specifically address compliance with the element. URAC will not review more than three documents per standard element prior to a “Request for Information” being sent.

You must enter information in the Citation box. Identify the page number and section in the box or if identified in document, indication “Citation in Document”. URAC will not accept or review any document that does not include a clear, specific citation.

Important! URAC will not review more than three documents per standard element prior to a “Request for Information” being sent.

IMPORTANT!!

DO NOT submit any protected health information (PHI) or individually identifiable health information (IIHI) in your Supporting Documentation. PHI/IIHI is any information about health status, provision of health care, or payment for health care that can be linked to a specific individual. Submitting PHI/IIHI to URAC is strictly prohibited.

Instrument Navigation

Navigate between instrument pages using the “PREV.” and “NEXT” icons at the bottom of each page or by using the page links on the right side of the screen.

PREV. NEXT SAVE Submit

The system performs an automatic “Save” when moving between pages or when exiting the Instrument. You may wish to select “Save” however when uploading or attaching a number of documents to an Instrument page.

Important!! For the initial submission, only the Application POC can “Submit” the Instrument. All pages must be 100% complete before the “Submit” button is active.

Request for Information (RFI)

Submitted instruments will go through URAC's **Desktop Review (DTR)** process with potential **Request for Information (RFI)**. When an **RFI** is issued, assignees will receive notification via email and within the **"Notifications"** screen accessible through the bell icon in the top right corner of the system banner.

- Feedback/Changes Requested: Indicates that there is feedback expected
- Orange Hazard Triangle: Indicates there is a question marked for follow-up on the page
- Review Scoring Summary: Shows the current score after the initial DTR and RFI rounds

Review Name	Mandatory Missed	Leading Indicators Met	Instrument Score
Desktop Review	0	0	64.02%

Navigate to the page where further clarification or feedback is requested.

Respond to each **Request for Information** by uploading a new or amended document. DO NOT delete any documents that were previously uploaded or linked to an element. Best practice is to append the name of the documents being added in response to the RFI with either the RFI round or the date of the upload, example: "Test Doc2_RFI1_03012024.pdf"

Important! You do not reply to the RFI, rather you need to upload additional documentation to demonstrate compliance. **DO NOT delete any documents that were previously uploaded or linked** even if the previously submitted document has been modified. Rather, rename the amended document, adding "RFI response" and the date modified and add to the Supporting Documentation section.

Once you have responded to each of the RFIs, select “**Submit Changes**” to proceed. This will notify the URAC Reviewer that you have responded and are ready to proceed with the accreditation/certification process.

IMPORTANT!

Do NOT delete any previously uploaded documents when responding to an RFI.

Export

You can export details regarding your instrument submission from within your instrument by selecting the “**Export**” icon in the right upper corner of the banner:

Select the details you wish to include in the export:

The 'Export/Print' dialog box is shown with the following options:

- Include Comments
- Include Documents
- Include Findings
- Include Issues
- Show Full Criterion
- Show Organization name
- Apply Filters

At the bottom of the dialog, there are two buttons: 'Export/Print' and 'Cancel'.

You will be able to export to .pdf or print the results for your records.

Issuer information

Your organization can view all issuer information at any point in time. However, you may only add or archive issuer records during an active application. Any changes during non-application periods should be done by submitting a **“NOC: Change in Issuer Information [For HPL, DPL and HIM only]”**

Access Issuer Information from top navigation bar:

The screenshot shows the top navigation bar with the following items: Home, Profile, Contacts, Structure, Applications, Certifications, Processes, Instruments, Documents, and Issuer Information (highlighted with a red box). Below the navigation bar is the 'Issuer Information' section, which includes a search bar and a table of issuer records. A red arrow points to the 'Add' icon in the top right corner of the table.

Program Name	State	Market Type	Product Type	Created Date
Health Plan	District of Columbia	Commercial	Point-of-Sale	11/09/2022

The 'Manage Issuer Information' form contains the following fields:

- Not Applicable: Not Applicable
- NAIC Group Code: 45454fff
- Not Applicable: Not Applicable
- What is the number of covered lives within this product offering in the last fiscal year?: 3

Buttons: Save, Cancel

If **Issuer Information** has changed, you will need to archive the previous record and add a new one.

- To Archive outdated information, select the menu “≡” icon to the left of the Program Name.

- To add new Issuer information, select the “+” sign in the right upper corner of the screen and complete the form.

The screenshot shows the 'Manage Issuer Information' form. A green arrow points to a plus sign icon in the top right corner of the page. The form contains several fields for entering issuer information.

Accreditation/Certification

You can navigate to certification record via:

- Dashboard: Click on certificate type name
- Top navigation: Certification - Click on certificate type name

The screenshot shows a dashboard titled "Certifications" with a "Show Active Only" checkbox checked. A record is displayed with the following details:

- Certificate ID:** HUM010001 (highlighted with a green arrow)
- Expires:** 12/01/2026
- Certificate Type:** Health Utilization Management 7.3
- Status:** Active

When a record is selected via the certificate type name, the detail page will display current stats, historical decisions, sites and the seal (html code) to be copied and used on the organization's website.

The screenshot shows the detail page for certification HUM010001. The page includes the following sections:

Seals

URAC-accredited or certified organizations should display a valid, dated URAC Accreditation or Certification Seal applicable to your program status on your company website. The seal contains a hyperlink to your listing on the URAC Directory of Accredited Organizations or the URAC Directory of Certified Organizations web page as appropriate. With a “click-to-verify” Accreditation or Certification Seal, you ensure that anyone visiting your website can easily recognize and verify your status.
